

3rd Meeting of the TRUST Project Consortium

The 3rd Scientific Board and Steering Committee meetings of the Marie Skłodowska-Curie RISE project TRUST (digital TuRn in EUrope: Strengthening relational reliance through Technology) took place in Paris on the 15th of September 2022 and, for those who could not attend in person, via Microsoft Teams connection, it was hosted by non-academic partner Montimage, in collaboration with academic partner Institut Mines-Télécom. During the meetings, the Work Package and Task

leaders updated the participants on ongoing and future research plans within the project. Later, the Consortium Partners participated to a networking session with Institut Mines-Télécom and Montimage researchers.

The next day, the 16th, the 2nd Seminar on Transversal skills on the topic of Open Science was held. Academic partners University of Macerata, KU Leuven, Institut Mines-Télécom, Universidad Carlos III de Madrid, Polytechnic University of Marche presented their best practices for the free diffusion of research results and, in general, for a new collaborative way of conducting research.
